| Title                                | PL | Sanctioned Belarusian media channel violating electoral silence law: discrediting presidential candidate Rafał Trzaskowski | 17/05/2025 |

### Summary

- On May 17, Radio Belarus violated the electoral sanction period by attacking Rafał Trzaskowski on their YouTube channel;
- The operation discredited Rafal Trzaskowski;
- The incident was caught one hour after publication, before the video could gain any views;
- Radio Belarus poses as a media entity and co-opts Polish-language individuals for their programming;
- The case has been flagged to all relevant actors. YouTube should geofence the sanctioned Belarusian entity.

### Incident

On the **May 17**, the **YouTube** channel of Belarusian **sanctioned** media entity **Radio Belarus** published a video that included a segment **discrediting the Presidential candidate Rafał Trzaskowski**, potentially violating the **electoral silence period** ([Clear link](#), [Archive](#)). The channel was flagged on the 15<sup>th</sup> of May to YouTube as interfering in the Polish elections through their DSA article 16 tool, but remains accessible to EU audiences at the time of writing.

### Narrative

**Meta narrative:** Rafał Trzaskowski is not competent.

**Sub-narratives:** Rafał Trzaskowski is not diplomatic; Rafał Trzaskowski is biased in his actions.

### Impact

Reach: 55 views, 8 likes, 17.3k subscribers. As of 1 hour after the video's publication.

Outcome: Likely negligible, but still a violation of the silence period by a foreign actor.

### Key Objectives and Behaviours ([DISARM Red Framework](#))

Objective: [T0066: Degrade Adversary](#) – the comments aim to discredit Rafał Trzaskowski.

[T0097.202: News Outlet Persona](#) – Radio Belarus is positioning itself as a media entity.

[T0143.002: Fabricated Persona](#) – Radio Belarus News Outlet Persona is a front for a Belarusian influence operation.

[T0091.002: Recruit Partisans](#) – The operation relies on interviewing Polish people and is run by a co-opted Polish-speaking individuals.

### Recommendations and Actions Taken

Action taken: Case was flagged to Polish authorities, the European Commission, and YouTube.

Recommendations: Geofence Radio Belarus from the EU, adhering to sanction laws.
